### **SECONDARY COLLEGE**

## **Careers Fast Track 2012**

This Vocational Guidance Program will be conducted at Rowville Secondary College each year with Year 11 students. It is also available to Year 10-12 students on request.

**Cost: \$80.00**

The group sessions of this program will be delivered by accredited staff at Rowville Secondary College. The individual counselors session will be conducted by accredited Rowville staff plus other accredited careers counselors.

The CFT program provides each student with reliable career-related information.

It will assist each student to:

- make informed VCE choices;
- set realistic and achievable learning goals;
- plan and prepare for Uni./TAFE; and
- maintain a leading edge in the job market.

### **Each student will end up with a Career Plan Portfolio.**

Each portfolio contains:

- Career options based upon personality;
- Relevant biographical and historical information;
- A personal competency profile;
- An analysis of learning styles; and
- Focus activities to assist each student to align their personal career-related information with:
  - ⇒ suitable career pathways;
  - ⇒ relevant VCE subjects;
  - ⇒ further education options;
  - ⇒ course notes for the 'action planning'

### **An Individualised Program**

There are three stages in the program:

**Stage 1 (2 periods):** Career interest assessment

**Stage 2 (2 periods):** Career Portfolio training

**Stage 3 (30 min):** Individual counselling using the student's career portfolio to clarify career pathway options (Parents welcome to attend)
