

## Rowville Sports Academy performance recognition program

The Rowville Sports Academy (RSA) offers a comprehensive range of services and the highest quality coaching at a price that we believe provides unparalleled value for money. We have established a budget with very little leeway to make the program as affordable as possible. Sometimes we are asked about whether there are scholarships for this program. We have deliberately chosen not to offer scholarships for two main reasons:

- We do not receive government funding for scholarships and as such the costs would be passed on to other families, which we believe would be unfair
- We do not want a two tiered program where some students are deemed more worthy than others

So while RSA does not provide scholarships for students we believe the fairest way to reward excellence is to recognise those students who represent Victoria in the sport that they are enrolled in.

These sports are

- Soccer (eleven a side)
- Basketball
- Netball
- Golf
- AFL
- Volleyball

Students will be recognised if they are selected in either

- School Sport Victoria teams (SSV)
- The peak body state team e.g. Basketball Victoria

### Financial support

A student who is deemed to have met the criteria will have \$500 credited to their RSA account to assist in the payment of fees in the following year i.e. if a student represents Victoria in 2012 they would have credit towards their fees in 2013. The exception to this is that year 12 students will be supported in the year of selection. Parents are asked to contact the RSA Administrator once selection has been confirmed; please note emergencies do not meet the selection criteria unless they participate in the team during the National Championships.

Students in grade six who are selected in the SSV 12 and Under team and who are enrolling in Year 7 RSA for the next year will have \$250 credited towards their fees. Current Year 7 RSA students who are selected in the SSV 12 & Under team will have \$500 credit towards their fees.
