Parent help guide

Your child's school has chosen the Jacaranda Digital Bundle as their digital learning solution. You will pay for the Jacaranda Bundle from the Jacaranda Payment Portal, a website created by Jacaranda specifically for your child's school.

This document provides step-by-step instructions to complete payment, along with FAQs, to guide you through the purchase process.

1 This is the Jacaranda Payment Portal home page, customised for your child's school:

The screenshot shows the Jacaranda Payment Portal home page for Wiley School. The page includes the Jacaranda logo (A Wiley Brand) and the text 'JACARANDA PAYMENT PORTAL'. Below this, it says 'WILEY SCHOOL' and 'WILEY'. A message from the school states: 'This Portal is OPEN to purchase students titles for the 2017 school year. All payments are to be made by 2 December 2016. Address: C/- SCHOOL, RICHMOND, Victoria, 3000'. A 'Message from your school' section provides further details, including a 'Getting started' section with a list of requirements: Student's credentials (First and Last name), Student's school provided student ID, Payer's personal email address (to receive email order confirmation upon completion of payment), and Credit Card, Credit/Debit Card or Pre-Paid Credit Card. A 'PLEASE SELECT YEAR LEVEL' dropdown menu is visible at the bottom, with a 'START YOUR ORDER' button next to it. Two callout boxes are present: one pointing to the 'Help' button with the text 'Select the 'Help' button to access a YouTube link to the instructional video and a link to this parent help guide.' and another pointing to the 'Contact Us' button with the text 'Select 'Contact Us' to find out how you can contact a Jacaranda Customer Service Operator by web, phone or live chat when available.'

FAQs for Parents and Guardians

Q. When will the Jacaranda Payment Portal be available?

A. The Jacaranda Payment Portal will be available from mid-October or later depending on your child's school.

Once open, the school will provide you with the unique website link in order to pay for the Jacaranda Digital Bundle.

Q. What do I need to use the Jacaranda Payment Portal?

A. To purchase using the Jacaranda Payment Portal, you will need:

- Modern hardware, an up-to-date internet browser and strong internet connection
- Your child's school provided email address or student ID
- Your own personal email address
- A valid credit card or debit/credit card

Q. Do I need to use a particular device to access the Jacaranda Payment Portal?

A. No. You can access the Jacaranda Payment Portal on any modern device with internet connectivity such as a laptop, desktop computer, tablet or mobile phone.

Q. I don't know my child's school email address. Help!

A. Please contact the school directly, they can provide you with this information.

Q. I don't have a credit card or debit/credit card. Can I still purchase via the Jacaranda Payment Portal?

A. Yes. If you do not have a credit card or debit card with credit card facility, you can use a reloadable, prepaid Visa Card (purchased from any Australia Post outlet or most supermarkets) to pay for your child's Jacaranda Bundle on the Jacaranda Payment Portal.

When purchasing the Visa Card, please ensure you place enough funds on the card to cover:

- Jacaranda Bundle Cost
- \$4.95 service fee
- \$1.00 holding fee

The Jacaranda Shopping Cart will place a \$1.00 holding fee on all transactions made with credit cards as it runs a validation check. This amount will not be deducted and will be released once the transaction is complete. This means that you will have \$1.00 remaining on your Visa Card to use as cash on other purchases.

Q. I have children in various year levels; can I purchase all of their Jacaranda Bundle resources in one transaction?

A. Yes. After adding the first Jacaranda Bundle purchase to the Jacaranda Shopping Cart, select CONTINUE SHOPPING and repeat the previous steps to add subsequent purchases.

Q. I have multiple children in the same year level; can I purchase all of their Jacaranda Bundle resources in one transaction?

A. No. Separate transactions are required. Once you have completed the first payment, please visit the Jacaranda Payment Portal and repeat the process for purchase.

Q. After selecting Continue on the Jacaranda Payment Portal I get directed to what appears to be a different website. What is this?

A. After entering your child's details and selecting Continue, you will be redirected to the Jacaranda Shopping Cart, hosted by Wiley, Jacaranda's parent company. The website looks different although you are still purchasing directly from Jacaranda.

Q. Why do I need to create an account with username and password to process payment?

A. All purchases made from the Jacaranda Shopping Cart require a Wiley account. This account is not the same as your child's JacPLUS account.

If you have an existing Wiley account, you will log in with your existing credentials. If you do not have a Wiley account, you must create a new one (with username and password) before completing your Jacaranda Digital Bundle purchase.

To create your Wiley account, you will need to provide a valid personal email address and the address associated with credit or debit/credit card.

Q. There is a \$1.00 deduction on my credit card from Wiley and not Jacaranda. What is this?

A. Jacaranda is a Wiley brand. The Jacaranda Shopping Cart places a \$1.00 holding fee (under the Wiley name) on all transactions made with credit cards, debit/credit cards or prepaid Visa Cards while it runs a validation check. This \$1.00 will not be deducted from your card and will be released once the transaction is complete. If you are purchasing using a prepaid Visa Card, this means that you will have \$1.00 remaining on your Visa Card to use as cash on other purchases.

Q. Upon completing my purchase, I received two separate emails. What are they?

A. After successfully completing your purchase on the Jacaranda Payment Portal, you will receive two separate emails from Wiley, Jacaranda's parent company.

The first email is titled "Your Jacaranda digital resource order confirmation" and confirms your order of the Jacaranda Bundle.

The second email is titled "Your Order with Wiley" and confirms that your card (credit, debit/credit card or prepaid Visa) has been charged the full amount. This email represents your official invoice and includes your order confirmation number. Please keep this email as proof of purchase.

Q. How can I prove that I purchased the Jacaranda Bundle for my child?

A. Please keep a copy of the email titled "Your Order with Wiley" as proof of purchase.

Q. I have successfully paid for my child's Jacaranda Bundle. When do they receive their JacPLUS account details to access the resources?

A. After payment is processed your child will receive their JacPLUS resources within 24 hours if correct credentials are entered when purchasing, if credentials do not match they will receive access and login details (Username & Password) on the first day of term 1 from their school. If they have an existing JacPLUS account, access to the new resources will become available on their existing bookshelf.

Q. I have successfully paid for my child's Jacaranda Bundle. Where does my child access the resources?

A. The Jacaranda Digital Bundle is accessed from your child's JacPLUS bookshelf, available at www.jacplus.com.au.

A. No. If your child already has a JacPLUS account then they will use the same login details. However, the new resources will not be available until the first day of Term 1.
