## COLLEGE BLAZER 2020

School Council endorsed the College Blazer in 2017. As of 2020 blazers are an **optional item\*** of uniform for years 7-12.

### Warm Jacket Option

Commencing 2020, the school council has voted in favour of allowing students to wear warm jackets over the current school uniform provided they are a dark bold colour, example, black or dark blue and do not have large insignias or prints over them, small brand names are acceptable. This will continue until a new uniform policy is developed and ratified by school council.

Please note that this concession to the cold weather, does NOT include the wearing of windcheaters and/or hoodies. In addition, until the review is completed, all other uniform requirements as outlined in our current policy remain unchanged. [Review uniform policy here >>](#).

***\*Optional item:** in response to significant feedback from our school community, the School Council has decided to form a uniform sub-committee that will be charged with conducting a broad consultation about how well our current uniform policy meets our needs. They will report their findings directly to school council along with specific recommendations for changes and improvements.*
