

Enrolment Process

The Rowville Sports Academy is a full time integrated academic and sporting program offering enrolment placements in one of our sports programs, which are; Australian Rules Football, Basketball, Cricket, Football (Soccer), Golf, Netball, Tennis and Volleyball. This strength based program allows talented and passionate young male and female student athletes to develop their sporting talent while receiving their secondary education concurrently. Rowville Sports Academy employs elite level coaches, has great facilities, employs partners to provide athletic development, strength and conditioning and physiotherapy services and has great success with developing talent.

All students wishing to apply for an enrolment opportunity into the Rowville Sports Academy must complete a multi-step process. Students must attend a Try-Out for each of the sporting programs in which they wish to be considered for enrolment. Try-Out opportunities are now conducted as a part of the Elite Coaching Camps which are conducted in the Term 1 and Term 2 School Holiday breaks.

The RSA Elite Coaching Camps have a dual purpose; they are an opportunity for young athletes to gain access to the RSA Elite Coaching Teams and be exposed to a level of coaching and training that they may never have been exposed to before; and they are an opportunity for students to trial for a future enrolment place within the RSA program at Rowville Secondary College. The Camps operate for three days and are consistent with a school day, running from 9am -3pm. Elite Coaching Camps are suitable for students in Grade 5 – Year 12.
