

Back-to-school? As easy as

# BYOD

## Ordering the right school device is easy

The JB Hi-Fi Education BYOD program gives you access to devices approved by your school, making it easy to choose the right technology for your child.

- Access to a dedicated purchasing portal with products selected by your school.
- Buy now pay later options available.
- Post-purchase device support options.

**Scan here to access  
the BYOD portal**

## Follow the step-by-step guide:

- |               |                                                                                                                                                |
|---------------|------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Step 1</b> | Go to: <a href="https://byod.jbhifi.education">https://byod.jbhifi.education</a> or scan the QR code at the left of the page.                  |
| <b>Step 2</b> | Enter your school code: <b>RowvilleSC</b>                                                                                                      |
| <b>Step 3</b> | Once logged in, select a student program.                                                                                                      |
| <b>Step 4</b> | Follow the prompts to choose your device and accessories, as well as post-purchase device support options.                                     |
| <b>Step 5</b> | Enter your personal details.                                                                                                                   |
| <b>Step 6</b> | Choose your preferred delivery method: at home or pick up in a JB Hi-Fi store.                                                                 |
| <b>Step 7</b> | Select a payment method and complete your order.                                                                                               |
| <b>Step 8</b> | If you have any questions, contact us at <a href="https://byod.jbhifi.education">https://byod.jbhifi.education</a> or 1300 746 752 (Option 6). |
